## THE TEACHER'S TOUCH

### BUILDERS

A builder built a temple,  
He wrought it with grace and skill;  
Pillars and groins and arches  
All fashioned to work his will.  
Men said, as they saw its beauty,  
“It shall never know decay;  
Great is thy skill, O Builder!  
Thy fame shall endure for aye.”

A Mother built a temple  
With loving and infinite care,  
Planning each arch with patience,  
Laying each stone with prayer.  
None praised her unceasing efforts,  
None knew of her wondrous plan,  
For the temple the Mother built  
Was unseen by the eyes of man.

Gone is the Builder's temple,  
Crumpled into the dust;  
Low lies each stately pillar,  
Food for consuming rust.  
But the temple the Mother built  
Will last while the ages roll,  
For that beautiful unseen temple  
Was a child's immortal soul. – Hattie Vose Hall

## A TEACHER'S PRAYER

Help me to remember the greatness of the work which has been ordained to me.

Help me always to remember that I work with the most precious materials in the world, the mind of a child. Help me always to remember that I am making marks upon that mind which time will never rub out.

Give me patience with those who are slow to learn and even with those who refuse to learn.

When I have to exercise discipline, help me to do so in sternness and yet in love.

Keep me from the sarcastic and the biting tongue and help me always to encourage and never to discourage those who are doing their best, even if that best is not very good.

Help me to help those children, not only to store things in their memories, but to be able to use their minds and to think for themselves.

And amidst all the worries and the irritation and the frustrations of my job, help me to remember that the future of the nation and of the world is in my hands. - William Barclay

## **College History**

Lady Willingdon Institute of Advanced Study in Education is situated on Kamarajar Salai, Triplicane, Chennai – 600 005, just 3kms from the Fort St. George, the headquarters of Government of Tamilnadu. In the year 1922, this Institute of Teacher Training was named ‘Lady Willingdon Training School’ after ‘Lady Willingdon’ wife of Lord Willingdon, then Governor of Madras Presidency.

The pioneer Principal Miss. J.M. Gerrard, had a vision of stately edifice, facing the sea, shaped like ‘W’. Her vision materialized when a Scottish architect, under her guidance designed the present building into which the college moved in 1940.

The majestic building in the premises of 16 acres overlook the world-famous sprawling Marina Beach beside the Bay of Bengal, which is one of the longest and beautiful beaches of the world indeed.

To its north, just a few meters away, lie the Guest House of the University of Madras, the beautiful palatial building of the Presidency College, the P.W.D. building and the famous Madras University; to its south, the Queen Mary’s College, the office of the Director General of Police, the All-India Radio Station and the historical Santhome Cathedral Church are situated.

It is easily accessible by road and also by railways through M.R.T.S.

## **GROWTH AND DEVELOPMENT**

In 1922-24 the first batch of 23 women graduate teachers were presented to the Licentiate in teaching examination of the Madras University and they obtained the L.T. Degree. Initially the college offered two levels of teacher training programmes for women viz.,

1. Licentiate in Teaching for graduate.

2. Secondary Grade Teacher Training for post-metric students and elementary Grade Teacher

Training for those who completed the school course.

In 1941, the L.T. Degree was replaced by the B.T. Degree (Bachelor of Training). From the year 1972-73 B.T. Degree was replaced by B.Ed. Degree. From 1964-99 Tamil Pandit Course was functional.

In 1972 M.Ed. course was started as Evening College course which was converted into regular course in 1981. In 1991 the Lady Willingdon College of Education was upgraded and renamed as 'Lady Willingdon Institute of Advanced Study in Education'. From 1998-99 M.Phil. in Education both full time and part time courses were started. In 2000, Lady Willingdon Institute of Advanced Study in Education was the 'FIRST' Government Institution to be accredited at the level of FIVE STARS by National Assessment and Accreditation Council (NAAC).
