

Yearly Status Report - 2019-2020

Part A				
Data of the Institution				
1. Name of the Institution	LADY WILLINGDON INSTITUTE OF ADVANCED STUDY IN EDUCATION (AUTONOMOUS)			
Name of the head of the Institution	Dr. M.S. THILLAINAYAKI			
Designation	Principal			
Does the Institution function from own campus	Yes			
Phone no/Alternate Phone no.	04428445531			
Mobile no.	9841376180			
Registered Email	principallwiase@yahoo.co.in			
Alternate Email	coelwiase@gmail.com			
Address	Kamarajar Salai, Triplicane			
City/Town	Chennai			
State/UT	Tamil Nadu			
Pincode	600005			

2. Institutional Status	
Autonomous Status (Provide date of Conformant of Autonomous Status)	19-Apr-2006
Type of Institution	Women
Location	Urban
Financial Status	state
Name of the IQAC co-ordinator/Director	Dr. D. HEMALATHA KALAIMATHI
Phone no/Alternate Phone no.	04428445531
Mobile no.	9445283115
Registered Email	principallwiase@yahoo.co.in
Alternate Email	coelwiase@gmail.com
3. Website Address	
Web-link of the AQAR: (Previous Academic Year)	<u>http://www.lwiase.ac.in</u>
4. Whether Academic Calendar prepared during the year	Yes
if yes,whether it is uploaded in the institutional website: Weblink :	http://www.lwiase.ac.in/index.html

5. Accrediation Details

Cycle	Grade	CGPA	Year of	Vali	dity
			Accrediation	Period From	Period To

Parents

Yes

1.4.2 – How the feedback obtained is being analyzed and utilized for overall development of the institution? (maximum 500 words)

Feedback Obtained

The feedback mechanism of the institution is focused to either affirm or alter the course of action in the current academic year. The prime aim of this feedback is to ensure that every student has access to competent and qualitative teaching which leads to vibrant academic, social and personal growth. The Institution collects feedback on curriculum aspects from different stakeholders such as students, alumni, teachers and parents. Feedback is also received from students regarding Autonomy. Feedback collected from employers is analyzed and based on the outcomes, modifications are made pertaining with respect to various aspects such as curriculum, teaching-learning process, teaching internship and assessment. While appraising the curriculum the following parameters namely, depth of the course, its applicability to real life, extent of employability, understandability was taken into consideration by the students. On the other hand, feedback of teachers was obtained on the indices namely, knowledge, teaching methodology, communication skill, commitment, motivation and accessibility. After collecting the filled in feedback forms, the data were analyzed with the help of statistical tools. As the alumni is found to be the ambassadors of our institution, the feedback of the alumni and the students are given equal and due consideration. The feedback of faculty reveals that the curriculum provides sample opportunities to the students to implement and illustrate their learning in various contexts by focusing more on depth of understanding and breadth of content coverage. Reference books in the library helps the students to organize and manage their learning. Parents and alumni suggested that syllabus should not be so lengthy, there should be regular updations in syllabi if required, few more latest topics /subjects can be added, the syllabus need to be revised from professional competency viewpoint etc., The students have suggested to have more number of placement training activities to get placements. It was taken care of by the placement officers of the college. Some parents demanded ICT enabled teaching for their wards. As a follow up measure, ICT enabled class rooms were facilitated and the demand for virtual labs is going to be addressed soon. The prayer, physical exercises and teaching of value education were very much acknowledged and appreciated by the parents. The faculty members are cognizant of the employer's feedback too. The feedback mechanism serves as a catalyst to foster the development of the institution. More number of value added courses, skill based courses and variety of certificate courses where the prominent request of the alumni and students of the previous academic year, and according it was focused while reconstructing the syllabus during the academic this year in the board of studies meeting. The feedback mechanism serves as a catalyst to foster the development of the institution.

CRITERION II – TEACHING- LEARNING AND EVALUATION

4.4.2 – Procedures and policies for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc. (maximum 500 words) (information to be available in institutional Website)

Classrooms, departments, auditorium, laboratories, gallery are regularly cleaned by support staffs of the institution. Our college Environmental club members ensure the maintenance of the cleanliness in the campus. Regular checking of the classroom cleanliness is monitored by the members. The campus safety is monitored through surveillance camera. The infrastructure maintenance which includes civil, plumping, electrical, furniture repair is also regularly done and checked. The library holdings improved according to the need of the hour. Entry gate register is maintained in the library and the visitors both staff and students are required to enter their visit. Computer labs are efficient and system are monitored regularly, any fault are solved immediately with the help of technical assistants. Our institution has a well-equipped psychology laboratory consisting of more than 200 tests including performance and paper pencil tests. Faculty members, Research scholars and students utilize this laboratory and access the tools available with the permission of the faculty in charge. Language laboratory facilitates self-learning of student teachers and master the phonetics and pronunciation with the help of technology. Regular services of the computers and and equipment keep them in good condition. Physical and Biological science laboratory is well equipped and furnished with provision for both classroom teaching and practical work. Stock of equipment, chemicals, specimens are ensured based on the needs of the students. Stock registers are regularly updated and audited to ensure all equipment and materials purchased from time to time are accounted for. Physical education is facilitated by the physical directress to educate the student teachers, the sports ground is well maintained, and all the kit required for the players are provided in proper condition. Every department maintains separate record for the stock management and they are regularly inspected and verified at the end of every year. There is adequate R.O water for drinking, and the water taps are available in the campus at various places. The wash rooms are regularly cleaned for the usage of students. There is systematic disposal of wastes in the campus.

Management. The Institution has a well-functional student council which involves actively in the academic affairs of the Institution as well as student welfare. The student Council under the headship of President Selvi.S. Sathya had taken over the reins during 2018-2019. The Committees of which the student representation forms a part: (i) IQAC: The Internal Quality Assurance Cell holds its meetings to review the quality measures and to endorse the future plans of the Institution. The Student representatives form a part of every IQAC meeting to ensure that the students are also informed about the progress of the Institution. (ii) Library Committee Meetings: The Student representatives also form an inherent part of the Library Committee Meetings. They also give in their suggestions alongside the Faculty in charge for the maintenance and functioning of the library. (iii) Anti-ragging Committee: Students Council members play an active part with the Faculty-in-charge and check on the disturbances or any issues if any that hinder the congenial student environment. Apart from this, the Student Council helps in addressing the grievances of students and taking it over to the head of the Institution and the members of the Grievance Committee for further redressal. The Student Council plays a dynamic role in helping to organize co-curricular activities and community based programmes. They also help to co-ordinate and arrange for the smooth conduct of academic related programmes.

5.4 – Alumni Engagement

5.4.1 – Whether the institution has registered Alumni Association?

Yes

The institution has strong formal registered Alumni Association, with the main objectives to create strong network between Alumni and Institute, create strong network for Aluminic progression as well as student's progression, to exchange of ideas on academic, cultural and social issues by organizing and coordinating reunion activities of the Alumni. During this academic year the activities of alumni association were, organized annual alumni meet, Organized and participated in Induction sessions for first years, Organized alumni talks regularly, organised mentorship programme by alumini for their juniors etc.,

5.4.2 - No. of registered Alumni:

200

5.4.3 - Alumni contribution during the year (in Rupees) :

40000

5.4.4 – Meetings/activities organized by Alumni Association :

Yes

CRITERION VI – GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 – Institutional Vision and Leadership

6.1.1 – Mention two practices of decentralization and participative management during the last year (maximum 500 words)

The Institutions always believe in the practices of decentralisation and participative management. Practice of Decentralisation is having own significance in the administration. It reflects the decision making, planning and administration, and office management. Administration is responsible for quality initiative to promote education to all sections. The Institutions enhance the quality at various levels - College Development Committee, Academic Council, Principal, Vice-Principal, IQAC Committee, NAAC Committee, Various Committees, Academic Staff Welfare, Administrative and Non-teaching Staff, RCC, YRC, all the stakeholders involve in the decentralisation and participative management all are working together for efficient functioning of the Institutions. 1. Administration: Administration is the backbone of the Institution. Institution firmly believes to provide quality education to the society. The Institute administration plays an integral role, leading and supporting the development and implementation of programs and activities, and initiative that are associated with the vision and mission of the institution. The administration ensures the smooth functioning in the all areas like Admissions, Account and Finance, Maintain Records, Evaluation and Supervision, Publishing results and Maintenance. 2. Faculty Members: Faculties maintains the cordial relationship with students, faculties, and community. The faculties are executing the programs and activities accurately and constructively. The

Institution faculties represent the ethics and attend the professional ethics in the education. The special initiatives is taken to adopt the technology (ICT) usage in the classroom environment. 3. Departments: The Primary role of the department is to provide the academic excellence in all activities. The Departments are performing their role and responsibilities initiated with the vision and mission of the institution. 4. Non-Teaching Staff: In the administration non-teaching staff plays crucial role in managing the records and files in day-to-day work. The assigned to non-teaching staff is to meet and accomplish operational and strategic objectives.

6.1.2 – Does the institution have a Management Information System (MIS)?

No 6.2 – Strategy Development and Deployment 6.2.1 – Quality improvement strategies adopted by the institution for each of the following (with in 100 words each): Strategy Type Details B.Ed., B.Ed. admissions are also Admission of Students centralized (100) and governed by State Government of Tamilnadu through Directorate of Higher Education, TN State (B.Ed. Admission - SWC). In the month of June/July of every year the advertisement for B.Ed. admission is published by the above authority in local as well as state level newspapers. M.Ed., After the declaration of B.Ed. result by Tamilnadu Teachers Education University other Universities, the advertisement for M.Ed. admission is published by the institution. The admission are totally governed by our college M.Phil., Generally in the month of June/July, the advertisement for M.Phil.is published by Institution. Ph.D The admissions are totally governed by our college Ph.D. Generally, in the month of June and October, an advertisement for Ph.D., Entrance Test is published by the TNTEU as per the norms laid down by UGC in the local as well as state level newspapers and on University website. The admissions are governed by our college till June 2014 and thereafter by TNTEU This college is the recognized research centre affiliated to TNTEU. TNTEU conducts a common entrance and interviews for Ph.D. Admission Library, ICT and Physical The library is equipped with adequate Infrastructure / Instrumentation number of books and journals for B.Ed.,

M.Ed., and M.Phil, programme. Every year, books and journals were added to update the knowledge of teachers and students. The library books are digitalized, internet connection is

Research and Development	also provided to the readers to make use of the e-resources such as e-books, e-journals, etc to encourage the teachers and students explore maximum benefits out of the facilities available in the library. Teachers were encouraged to be technologically sound and use Technological Pedagogical Content Knowledge (TPACK) in their classrooms. LCDs are installed in classrooms, created smart classrooms to make the teaching more interesting and effective. Students were also encouraged to make use of the ICT facilities available in the college to develop the skills in application of ICT tools. In addition to this, instrumentation like Bio-metric attendance system, Public addressing system are also present. Research and Development cell aim to
	carry on by the Institution for maintaining the Research Culture. ? The members of the Research Committee focus on maintaining high research standards in Teacher Education. ? The members of RampD encourages the students to undertake the research in newly emerging frontier areas. ? Faculty members are motivated to undertake research projects, both major and minor to maintain the vibrancy of research ? The Faculty are attended Capacity Building Workshops and Faculty development programmes, Refresher and Orientation programmes for updating their professional caliber. ? Faculty members are invited to share their experience obtained from attending programmes in the exclusive platform, namely, 'Forum for Strategies and Operations Planning. ? Financial support is given to all innovative research and development works taken by the students, faculty members. ? Development projects offered by
Examination and Evaluation	agencies such as UGC, PMMMNMTT Scheme (MHRD), RCI, etc., are carried out by faculty members. ? The college encourages students, faculty and staff members to participate and present their Papers in National and International Conferences and Workshops. The courses are organized on the semester pattern. ? Continuous and Comprehensive Evaluations were

	undertaken through class tests, assignment problems, Case Studies and Projects. ? Assignments, activities and seminar were given to students, topics were given in advance to enable them to prepare. These are considered as one of the component for the internal exam. ? The conduct of the examinations and made all faculty aware of these norms before the commencement of the exams. Preference of faculty regarding dates of invigilation duties is taken and factored in while preparing the duty chart. Duty chart of invigilation duty is prepared and circulated much in advance to ensure presence of faculty during exams. ? The final result in each course is calculated on the basis of this continuous assessment and performance in the end semester examination.
Teaching and Learning	Departments organize special talks, workshops, seminars and conferences regularly. This helps the students to exposes their best minds in the field. ? Student centric methods, such as experiential learning, participative learning and problem-solving methodologies are used for enhancing learning experiences. ? Short-term certificate courses were also launched based on the demand of students. The main objective to start short-term courses in the college was to augment the undergraduate course curriculum, to empower student to meet challenges after graduating from college and to enhance the soft skills of the students. ? Organize communication skill classes for B.Ed., students to face the interview. Through this students can learn basic grammar like the use of articles, prepositions, tenses, vocabulary along with special attention to speaking skills. ? Various departments and Training amp Placement Cell have been working towards augmenting by organizing various seminars, workshops, invited talks, mock interview, etc.
Curriculum Development	Though the institution being an autonomous strictly design the curriculum and to frame the regulations and guidelines for all programs in accordance with NCTE and state government norms. The members of the curriculum development cell identify

and suggest new courses which would improve the skills, employability and entrepreneur aspects of the students to meet out the employment requirements. To upgrade the U.G and P.G. curriculum Board of Studies Meetings and Academic Council Meetings are also conducted in an academic year. Collect the feedback from the stakeholders and revise the curriculum based on the suggestions of the stakeholders. The members are also plan to incorporate Value Added Courses and MOOCs as per UGC guidelines. Further, the committee also conducted various academic programmes such as seminars, conferences, workshops to deliberate on strengthening and enriching curriculum to ensure quality in curriculum. 6.2.2 - Implementation of e-governance in areas of operations:

7.1.7 – Initiatives taken by the institution to make the campus eco-friendly (at least five)

1. Plastic Free Environment 2. Tree Planting 3. Incinerator 4. Solar Heater 5. Wealth from Waste

7.2 – Best Practices

7.2.1 – Describe at least two institutional best practices

STRATEGIES TO PROMOTE STUDENT- TEACHER CONNECTEDNESS Goal: Promoting Student Teacher Connectedness • Review students' activity files and use that information to support the students. • Assign academic work that encourages students to talk about themselves, such as creating an autobiography, developing portfolios, or writing essays or poems about topics that are important to them. • Have a regular time each day or week to share thoughts and concerns. • Continually diagnose students' learning strengths and weaknesses. • Welcome new students and make a special effort to connect with them through orientation programmes. • Empathize with and provide guidance and counselling to students when they face problems • Elicit and act on students' recommendations for activities that occur in class. • During class, minimize "teacher talk" time and increase "student talk" time by incorporating peer review, group work and student-to-student discussions. • Set a goal to highlight positive student contributions. • Give students chances to correct their mistakes in personal and academic aspects, by providing needed support ullet• Provide mentorship programs that pair community volunteers with students, or pair students with other students. Waste management Goal: Ensuring Eco-friendly waste management The college generally does not generate any hazardous waste in any manner. However, the college strives to generate minimal waste and tries to reduce the use of plastics whenever possible. ? Waste is segregated as biodegradable and non-biodegradable. ? The college has built a solid waste disposal bin. Solid wastes like broken glass beakers, test tubes, rubber tubes, etc. are collected from the entire campus and stored here. This solid waste is then collected by the Corporation every alternate day and is then disposed off. ? Use of pesticides and other harmful chemicals in the garden is replaced by adopting organic methods of gardening wherever possible. ? In order to dispose the acid fumes, chemistry labs are equipped with exhaust fans and fume hoods. ? Mild chemicals are used for cleaning and maintaining the campus. ?

Sterilization is performed by autoclaving and then the remaining wastes are properly disposed off, in accordance with standard waste disposal norms. ? Paper waste is sold off to vendors who send it for recycling

Upload details of two best practices successfully implemented by the institution as per NAAC format in your institution website, provide the link

http://www.lwiase.ac.in/index.html

7.3 – Institutional Distinctiveness

7.3.1 – Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust in not more than 500 words

Vision of the Institution is to mould and empower student - teachers in the pursuit of knowledge, values and social responsibility and help them achieve excellence in teaching fields, thereby also preparing them to face global challenges. The Institution as never faltered in inspiring the student-teachers in the pursuit of knowledge, values, and social responsibility. The Institute has established its distinctive approach towards this comprehensive Vision by modelling it in the form of service to the society, by means of certificate courses or by allowing the students to organize events to develop their communication skills, Entrepreneurship development, Ethical and Human value development. (a) Communication Skill Development: The Institution arranges communication skill enhancement programs to develop their

communication skills for example -Language skill development. (b) Entrepreneurial Development: ED Cell crucially works on generating the excitement in the young brains to produce innovation and thus laying the stones for entrepreneurship. Budding entrepreneurs are motivated for startups and thus are self-sufficient and independent financially and can either support their education or family. (d) Ethical and Human value Development: Ethical values is the foremost interest of the institution, Student- teachers are motivated to visit orphanages, old age homes, Cancer institutes and serve the local areas through NSS. Student-teachers have never been insensitive to the social crisis during the natural devastations. The Vision of the Institute focuses on Constructive, Conscientious and Committed Teaching Personnel with Due Accountability.

Provide the weblink of the institution

8. Future Plans of Actions for Next Academic Year

Initiative is taken to revise curriculum and syllabus in forth coming academic year. For the purpose to frame committee by the Institution and syllabus revision work was started. To utilize library facility to the maximum extent. For this all the students were motivated to utilize the library facilities through extended library hours. And "Book Review Programme" will be conducted every Saturday through Online mode. To inculcate fine art skill among students conduct one day workshop was organized to promote Art skill. To maintain surveillance camera to ensure the safety of the students and the staff, installing surveillance cameras are functioning in important places in the campus to deter untoward incident. To improving student's participation with problem based learning, to conduct a two days webinar on Augmenting Higher Order Thinking programme for enhancing students' higher order thinking skill.
