

LADY WILLINGDON INSTITUTE OF ADVANCED STUDY IN EDUCATION
CHENNAI 600 005

4.4.2. *There are established systems and procedures for maintaining and utilizing physical, academic and support facilities – classrooms, laboratory, library, sports complex, computers, etc.*

The physical infrastructure of the college such as laboratory, library, sports complex, computers, classrooms etc., ensures maintenance of high academic standards and also facilitates a wide array of extra-curricular activities.

College provides effective learning environment with proper ventilated classrooms. The seminar hall and auditorium in the college for organizing various Lectures / Seminars/ Workshops etc., are enabled with ICT infrastructure.

Library

The college has a well-equipped and well stocked library for use by students and staff. The library advisory committee works for fulfilling teaching, learning and research needs and interests of B.Ed, M.Ed., M.Phil and Ph.D students and teaching faculty. The library has an experienced qualified Librarian. The Librarian undergo regular training and faculty development programmes. The library is stocked with books, journals, on-line journals and magazines.

The library has internet resources and computers to allow students to access e-library and online academic resources. Library is equipped with Autolib software. The library holdings improved according to the need of the hour. Entry gate register is maintained in the library and the visitors both staff and students are required to enter their visit.

Campus Safety

The campus safety is monitored through surveillance camera.

The infrastructure maintenance which includes civil, plumbing, electrical, furniture repair is also regularly done and checked.

Computer Laboratory

Computer labs are efficient and system are monitored regularly, any fault are solved immediately with the help of technical assistants. Regular services of the computers and equipment keep them in good condition

Psychology Laboratory

Our institution has a well-equipped psychology laboratory consisting of more than 200 tests including performance and paper pencil tests. Faculty members, Research scholars and students utilize this laboratory and access the tools available with the permission of the faculty in charge.

Language Laboratory

Language laboratory facilitates self-learning of student teachers and master the phonetics and pronunciation with the help of technology.

Science Laboratory

Physical and Biological science laboratory is well equipped and furnished with provision for both classroom teaching and practical work. Stock of equipment, chemicals, specimens are ensured based on the needs of the students.

Stock registers of all the laboratory are regularly updated and audited to ensure all equipment and materials purchased from time to time are accounted for.

Physical Education

Physical education is facilitated by the physical directress to educate the student teachers, the sports ground is well maintained, and all the kit required for the players are provided in proper condition.

Every department maintains separate record for the stock management and they are regularly inspected and verified at the end of every year.

R.O Water

There is adequate R.O water for drinking, and the water taps are available in the campus at various places.

Wash Rooms

The wash rooms are regularly cleaned for the usage of students. There is systematic disposal of wastes in the campus.
