From the Editorial Desk.....

Historical heritage of Lady Willingdon IASE dates back to 1923. Over these years, the institution has been nurturing the women teacher education with the belief that educating a girl child will educate a whole family.

The Institution started in 1912 as a small school with seven children in Thulasinga Perumal Koil Street, Triplicane, Chennai which now stands as a unit of Teacher Education University on 21, Kamarajar Salai, Triplicane for the cause of Women Teacher Education. This is the only Teacher Training Institute for Women run by the Government of Tamil Nadu.

Teachers do not impart personal opinions but they have the power to kindle young minds. We at LWIASSE are pleased to present the first issue of the biannual Newsletter. This is an information leaflet of the various activities conducted during the first half of the academic year 2018 - 2019. We have worked to unveil the exhilarating flashback of the precious moments during the months of July - December 2018.
